

## **ART DETECTIVE**

**by Doris Kutschbach and Julia Dürr**

This is the perfect book for you if you are like me and you love Art and solving puzzles!

In this book you will find 19 works of Art and 19 forgeries. The paintings are side by side and you have to spot the mistakes that the forger has made. It's like a "Where's Wally" book for Art Lovers!

I know that pupils in Year Two will enjoy this, because there is a painting that they have studied in this book. Anyone can enjoy this book, whether it is just because you enjoy studying the art work, or because you want to find out where the forger has gone wrong.
