

The Dark

The minute I saw this book I knew I wanted to read it. The author, Lemony Snicket has written many books that I have enjoyed, and the illustrator Jon Klassen is one of my favourite artists. He wrote and illustrated the story “I want my hat back” which I’m sure many of you remember from Foundation Stage.

Laszlo is afraid of the dark. The dark lives in the same house as Laszlo but mostly it spends it’s time in the basement. It doesn’t visit Laszlo in his room. Until one night it does . . .

This is an empowering story about conquering your fears and is suitable for anyone who has ever been a little bit afraid....
