

### **Ready! Steady! Cook!**

This book offers delicious, easy to make recipes for anyone to follow and create your very own restaurant style share plates. These are recipes that can be shared with families and friends, and they take minutes to make. There are over 50 different recipes to make, consists of meat, vegetarian and seafood dishes. Whether you like tapas (from Spain), dim sum (from China) or salads, dips and bread (from Middle East), this book will certainly have a mouth-watering dish for you. With these easy-to-make recipes, you will soon discover that shareable food and grazing plates make entertaining fuss-free and fun entertainment.

Why not choose a dish from this collection and share in the fun making it with your loved ones. I would love to receive feedback on which recipe you try and which one is your favourite.
